# THE SCORE... December 03, 2011

Einsteins Revolution is one of Reining's hottest up-and-coming sires. With a limited book in 2007, there have only been 13 three-year-olds shown this year. This limited foal crop includes 2011 NRHA Open Futurity finalist Ruben Vandorp and Relatively Sweet and 2011 NRHA Non Pro Futurity finalist Abby Lengel and Einsteinshersheykiss, who were also the Non Pro Level 1 and 2 go-round winner. The duo earned over \$33,000 in yesterday's NRHA Non Pro Futurity Finals, capturing the level 1 reserve title.

To date, Einsteins Revolution has also sired the 2011 Congress Reining Stakes level 2 open division champion, 2011 Congress reserve level 3 open division champion, the 2011 French Futurity open reserve champion, 2011 One Hot Slide level 3 open futurity champion, 2011 CPRHA Non Pro Futurity Level 4 champion, the 2011 RMRHA Summer Slide Level 3 Non Pro reserve champion and the 2011 NRHA Cowtown Classic Level 1 & 2 Non Pro division reserve champion. Of the 13 shown, 10 are champions, reserve champions or money earners. According to Vandorp, "We only bred about 40 mares in the USA in 2007 due to Junior's busy show schedule. To already have an NRHA Open and Non Pro Futurity finalist is incredible. We're so impressed and proud of the results from the limited number of three-year-olds that have been shown this year!"

*“With very limited showing, Einsteins Revolution's 2008 limited foal crop has started an Evolution of Change... one Revolution at a time”*

The excitement is just beginning for this great young stallion! With one partner living and monitoring the results in Europe and the other partner here in the States, the Wagner and Vandorp team have lots to be excited about. Pete Kyle states, "The overwhelming, positive response from customers who are anxiously awaiting their babies to begin training, and trainers who can't say enough about their two-year-old "Junior" offspring is amazing! People are hanging on to them to see how they will turn out. You don't see many going through public auction." With that said, however, Patrice and Veronica St-Onge's two-year-old, "Jessolution" was the high seller at this year's Legacy Consignment Sale.

Junior will stand the 2012 breeding season at Kyle Ranch in Whitesboro, Texas. If you're interested in learning more about breeding to this stellar stallion, now is the time to book your mare. Early bookings will receive a reduced rate of \$2,500. If paid in full prior to the end of the year, the rate will be \$2,000. After that, the breeding fee will be \$3,500. Cool shipped and frozen semen are available, as well.
