FEI World Reining Masters

Foreword

BY HRH PRINCESS HAYA, FEI PRESIDENT

On behalf of the Fédération Equestre Internationale (FEI) it is my great pleasure to welcome you here to Oklahoma for the 2009 FEI World Reining Masters.

With 18 countries and 20 participants sending their best competitors, this is a truly international competition for the very best reiners in the world this year. It is highly appropriate that this Masters event should be held in a state whose history is synonymous with cattle and which was a historical route for cattle drives. I have no doubt that all those who attend this event and take part in it will feel that rich history all around them.

Many of the FEI's competitions are team events but here in Oklahoma you will witness a competition between individuals who will represent their countries with pride.

I applaud the organisers and the United States Equestrian Federation for seizing the opportunity to host this Masters and by doing so giving reiners from all over the world the opportunity to compete for this title in one of the homes of Reining.

The increasing popularity of Reining, across the world, is one which we are delighted to witness and wholeheartedly support. I send you all the FEI's best wishes for a successful event.

HRH Princess Haya
